**CDD Members** 

I am writing to express my strong interest in serving as a member of the Board of the Verona Walk Community Development District (CDD). As a full time resident of the Verona Walk community, I am deeply committed to its wellbeing, and believe that my skills and experience would be valuable assets to the committee.

During my time in Verona Walk, I have served as the vice-chair of the Architectural Control Committee (ACC) for the past six years. This experience has given me a comprehensive understanding of our community needs, and I am eager to contribute my time to serve on the CDD.

I gained experience in water management issues while serving in the public sector in the state of Delaware as a member and Chairman of the Delaware Clean Water Advisory Commission. This experience gave me a thorough understanding of the issues that the CDD has to deal with. Let me share with you some of these issues. Delaware is a coastal state. Most of the land in Delaware is flat and close to sea-level. The underlying water table is generally high. As a result, drainage and the management of storm water are important considerations in land use planning, construction, and agriculture. The Council worked with other state agencies, with county and municipal governments, and with partners in the private sector to ensure that Delawareans are safe from flooding events, and that water draining from the land is properly controlled and filtered to remove pollutants. We oversaw drainage, control of sediment and storm water, management of tax ditches, and the safety of the state's dams. We also provided guidance and funding assistance for "Tax Ditch" a general term used to describe a system of engineered ditches used to manage storm water and drainage for a specific area of farmlands. Delaware tax ditches are established under Delaware state law. Each of Delaware's more than 230 Tax Ditches is overseen by a board of Tax Ditch Managers selected from among the landowners of the lands to be drained by the ditch system.

I would like the opportunity to further support my community by serving on the CDD and I am committed to spending the time and effort necessary to fulfill the responsibility of a committee member. Thank you for considering my application. I would welcome the opportunity to discuss with you how I can best support the objectives of the committee.

Please feel free to contact me (302)540-4116 or <u>rproy@verizon.net</u> if you require any further information or would like to discuss my application in more detail.

Sincerely

Roger roy

Hello,

I was recently made aware of a vacant seat on our board. I had not realized that there was a deadline of May 1 for any interested parties. My understanding is that no homeowners have expressed interest in this position. Is it too late for me to throw my hat in the ring? I am a retired Human Resources/Payroll Manager with experience in budgets, legal issues, accounting and leadership. I managed a staff of 18 for a school district with over 3,000 employees and an annual budget of \$500 million. I am a very concerned resident of Veronawalk.

A **motion** was made by Mr. Monti, seconded by Mr. Kurzawski and passed unanimously approving the minutes of the January 18, 2024, Regular Board Meeting, as presented.

#### H. OLD BUSINESS

There were no Old Business items to come before the Board.

#### I. NEW BUSINESS 1. Discussion on Delineation of CDD and HOA Responsibilities

Ms. Czubkowski gave a background on the maintenance agreement between the CDD and the HOA, which was not renewed in 2011 because reporting and work was not being done timely. She continued that the CDD took back maintenance and hired Mr. Hirniak as the Field Inspector at that time, so the CDD now has control of the contracts. She stated that the CDD reached out to the HOA a year or so ago to latch on to their mowing contract but were told no. Mr. Monti stated that the resident who brought the issue up at the last meeting was looking for clarification on wells, consumption of water, irrigation, etc., which is clearly laid out in our use permits and established by statute. He stressed that the delineation was clear and people need to read the permits. He suggested that there be no response and Ms. Czubkowski added that the HOA did not bring anything forward to respond to that is not being followed through appropriately.

#### 2. Discussion Regarding Upcoming Budget

Ms. Meneely stated that the budget was being developed for the upcoming fiscal year and would be presented at the meeting, so this was the time to make any requests for changes. Ms. Czubkowski asked about keeping the littoral planting test area in the budget and Mr. Monti stated he would like to keep the current amount. Mr. Hogan suggested calling the line item "Special Projects" and increasing it to \$15,000. Mr. Monti stressed he would like to keep the current amount specifically designated for the littoral plantings and Ms. Meneely stated they could still do that with the comment section even if the title of the line item has changed.

Ms. Czubkowski asked about increasing the lake bank mowing line item. Mr. Hirniak stated that Mainscape charges \$8,200 per mowing of a 4ft wide strip. He continued that it was twice that amount if the entire bank to the water's edge is cut due to hand work needed outside of the machine cut 4ft. strip. He stated that the amount would be lower if the HOA agreed to include it in their contract three times a year. Mr. Monti stated that he believed a single 4ft pass was good and suggested asking the HOA to consider adding the mowing during their next contract negotiation with the contractor. He also suggested increasing the line item to \$40,000 and seeing if we can negotiate a lower rate.

Ms. Meneely reminded the Board that the golf cart storage cost was increasing from \$1,200 to \$1,500 a month. There was general discussion regarding the spraying of Ponds 1& 2 and the consensus of

Page 2 of 4

the Board was to leave the current amount in the budget. Ms. Czubkowski brought up street sweeping, stating that the HOA had discontinued the practice while Mr. Cole stated it was part of best management practices and was an HOA function. Mr. Monti stated that it was in the permit and goes back to the HOA to be responsible for what is in that permit. Mr. Czeschin noted that he noticed residents blowing all their leaves into the street and suggested communicating with the residents that they are to be blown back on to the property and not into the streets.

#### J. ADMINISTRATIVE MATTERS 1. District Attorney Update

Mr. Urbancic advised that the State legislature had passed a measure whereby special districts would be required to do an annual report establishing goals and objectives. He added that he would keep the Board apprised of how that is to be done, as it may require some input from the Field Inspector and the District Engineer.

#### 2. District Engineer Update

There were no further updates from the District Engineer.

#### **3. Field Inspector Update**

Mr. Hirniak went over his report included in the agenda packet. He stated that the lake levels were 2ft higher than last year and 4ft higher than in 2017. He continued that he was getting a lot of requests to inspect downspout connections and found two that were incorrect, adding that somehow the exhibit in the HOA guidelines had included use of bubblers. Mr. Monti stated it should be taken up with the ACC, as no bubbler system is allowed. Ms. Czubkowski stated she would send the document to Mr. Hirniak to update with any changes coming back to the Board.

Ms. Czubkowski stated that re-painting of the control boxes had been brought up by several residents and the District had said they would reconsider if there were concerns. She suggested Mr. Hirniak come back with some color samples, as it is not an expensive project and the HOA does the painting work.

#### 4. District Manager Update

#### • Financials

Ms. Meneely went over the financials and there were no questions from the Board Members.

Ms. Meneely went over the upcoming meeting schedule of May 16, June 20 and July 18, noting that the proposed budget was scheduled to be presented at the May meeting with the Public Hearing scheduled for the July meeting.

#### • Update on Board Vacancy

Ms. Meneely indicated that the vacancy announcement had been sent to the HOA and only one applicant had applied as of yet. She confirmed that the consideration of applicants would take place at the May meeting.

Page 3 of 4

Ms. Meneely stated that the Chair had asked her to look into the number of Districts Special District Services manages that use ZOOM at their Board meetings. She explained that with over one hundred districts, there were only two that utilized ZOOM and went over the costs associated with the equipment.

#### K. BOARD MEMBER COMMENTS

There were no further comments from the Board Members.

#### L. ADJOURNMENT

There being no further business to come before the Board, the Regular Board Meeting was adjourned at 11:13 a.m. on a **motion** made by Mr. Kurzawski, seconded by Mr. Monti and that **motion** carried unanimously.

#### **MEMORANDUM**

To:	District Board of Supervisors
From:	Gregory L. Urbancic, Esq. Meagan E. Magaldi, Esq.
Re:	New Ethics Training Requirements Effective January 1, 2024

Pursuant to Section 112.3142, *Florida Statutes*, beginning January 1, 2024, all Supervisors of a community development district organized and existing under the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, will be required to complete four (4) hours of ethics training each calendar year ("<u>Ethics Training</u>"). The four (4) hours of Ethics Training shall be allocated amongst the following categories: two (2) hours of ethics law, one (1) hour of Sunshine law, and one (1) hour of Public Records law. Supervisors will report their 2024 training when they fill out their Form 1 (Statement of Financial Interests) for the 2025 year by checking a box confirming that they have completed the annual Ethics Training.

The Ethics Training may be completed online, or at a continuing legal education class or other continuing professional education class, seminar, or presentation, provided the required subject matter is covered. It is highly recommended that you keep a record of all trainings, classes, seminars, and/or presentations completed or attended which are used to satisfy the Ethics Training requirements. This record may include date and time of completion. At this time, there is no requirement to submit a certificate of completion of the Ethics Training. However, the Florida Commission on Ethics ("<u>COE</u>") advises that Supervisors maintain a record in the event they are asked to provide proof of completion of the Ethics Training. Please note that the four (4) hours of the Ethics Training do not have to be completed all at once.

The COE has compiled a list of resources on their website, a link to which can be found below. We recommend that you review the COE website. The COE website has several free online resources and links to resources that Supervisors might find helpful, including free training for the two (2) hour ethics portion and links to outside trainings which can be used to satisfy the other categories of the Ethics Training. For your convenience, links to the trainings provided by the COE and the outside trainings referenced on the COE website are listed below.

#### 1. General Resource: Florida Commission on Ethics - Training - Ethics (state.fl.us)

#### 2. Free Training Programs:

a. Ethics law - The COE provides several free training videos (audio/visual or audio only) covering specific ethics law topics. Please note that two "hours" in the category of ethics law are required annually. Pursuant to CEO 13-15, "hours" may be measured in fifty (50) minute increments so you should ensure you satisfactorily complete sufficient programs to satisfy the two-hour ethics requirement if choosing a combination of training videos listed below.

#### 3. Other Training Programs

- a. Florida State University's Florida Institute of Government offers a "4-Hour Ethics Course" which satisfies the annual requirement to attend two hours of ethics law, one hour of Sunshine law, and one hour of Public Records law. The course is available online 24/7 and may be paused and resumed at your convenience. The registration fee is \$79.00.
  - <u>4-Hour Ethics Course</u>
- b. The Florida Bar offers a course titled "Sunshine Law, Public Records and Ethics for Public Officers and Public Employees" which satisfies the annual requirement to attend two hours of ethics law, one hour of Sunshine law, and one hour of Public Records law. The course is available online 24/7 and may be paused and resumed at your convenience. The registration fee is \$325.00. Please note that this course exceeds the four-hour requirement (duration is 5 hours, 18 minutes), is significantly more expensive than the other options, and the material is tailored for attorneys.
  - Sunshine Law, Public Records and Ethics for Public Officers and Public Employees
- c. Other training options will likely be added over time by other education organizations.

If you have any questions regarding this new law, or need any additional assistance with locating resources or classes to satisfy any portion of the Ethics Training, please contact the District Manager, or myself.
